Cincinnati on a Sunday. BY A SREFFIELD WORKMAN,

sheffeld Telegraph, June 18th.] From Philadelphia on the Delaware to Unclinati on the Ohio there is a wide stretch in distance, diversion, and demeanor. The Quaker City is all order, propriety, and decorum; Cincinnati is of cities the most lawless, riotous, and lierntious, so I am told by those who have visited every important city in the Union; and how can it be otherwise where every man is almost a law unto himself? The rapid repeal of all restrictive measures on vicious tendencies, which happened some six years ago, is to be credited with this state of things. The ins who had been outs made a clean sweep of all such egulations-the result of years of painstaking and thought-as had regard to the suppression of gambling, drinking, and ostitution, so much so that any one who will pay the necessary duly to the Government of \$120 may open a drinking saloon o-day and keep it open night and day enceforth. The same liberty, without cense, applies to those who keep gambling ells or brothels. There is absolutely no attemen of the police-who dress better han ordinary citizens-to make au in pened last Sunday night under my eyes, yet of that county. is lager-beer saleon opposite was fitled with copie smoking, drinking, swearing, and ing generally riotous. This place has not Then in full blaze of fisring gas were at missioner of Internai Revenue to-day made least a dozen of the houses of open courteg, singing with the greatest publici-yet these things did not concern Second. This class of dealers can ing to sing lustily in front of all the drink- &c

Its existence acknowledged.

Last Sunday the trades' societies of this place held a demonstration in the streets, paraded in them with bands playing and banners flying, when bells were calling the devout to church. It is not a parallel to say that it was like an Odd-Fellows' gathering—it partook more of the nature of the Carry.

Split in Republican Ranks.

St. Paul., July 8.—A split occurred in the Republican Congressional Convention of the First district, held at Waseca yesterday. One section nominated Dunnel, the sitting member, and the other nominated was won by Mumford in 11' 19\(\frac{1}{2}\)'.

In the second heat for senior simple south. that it was like an Odd-Fellows' gathering—
In the second heat for senior single sculls
it partook more of the nature of the CarniA. L. Hall, of Harvard College, and F. E. triumphal car devoted to "Baeca." There were two simulated Indians in war-paint, mocraous, and feathers; several young lady who represented Niestina, in white satin dress with plank ribbon bitnas. The central figure was a young lady who represented Niestina, in white satin dress with plank ribbon bitnas. The central figure was a young lady who represented Niestina, in white satin dress with plank ribbon bitnas. The central figure was a young lady who represented Niestina, in white satin dress with plank ribbon bunders of the control of the following sixth persons of the second days of the control of the following with plank of the Zephyr Club, of Despite the second days's fife, and not have been very mee had it been reserved for the second day's fife, and not have larged on Sunday associations. After semi-stank of the Zephyr Club, of Despite the second day's fife, and have been very mee had it been reserved for the second day's fife, and have been very mee had it been reserved for the second day's fife, and about the first of the part of the same bours had been spent in promemating under an almost tropical sun, the procession found its way to Piles's Park, there to spend the whole of the day and night as far as practicable, to which place I went after sundown to see this famous plenic. The park is at an elevation of about six hundred feet, and four saloous, capable of carrying sixty persons each, are ascending and de-cending continually. There were application of the delta sunday of the part of the same and takes set, all filled, and thousands warking about on the walks and grass, under the rest, in the gaslight, or out late the open air in the very even the second was a many of the part of the month white still ment of the place of the second was a primary facility of the part of the part of the second was a primary facility of the part of the p triumphal car devoted to "Bacca." feelings by a public demonstration. FENIANISM ENGRAFTED ON LAND AGITATION. The Dublin correspondent of the Times says: "There can be no doubt that Fe-nianism is engrafted on the land agitation, and imparts to it its most effective organization and formidable character. It is impossible for those who reside in the West not to feel alarmed at the signs of danger which are plainly visible. There is no reason to doubt that many of the peasantry have been trained to move in military order, and understand how to act together as disciplined bodies, and that every opportunity is taken to collect arms."
